Exhibition Conditions

Membership: Only Members of the Worcester Society of Artists are eligible to submit work for the exhibition

Exhibits and Copyright: The work shall be paintings in any medium, and such other works of art as may be specified for this exhibition. They must be the original work of the Member exhibiting. Copies, or work closely based upon pictures by other artists, may be admissible but must acknowledge the original artist and cannot be offered for sale. This includes copies from photographs (other than those taken by the artist). Please ask for clearance regarding this if necessary. Written permission of the originator can override these conditions.

Schedule: the Exhibition Schedule, overleaf, must be completed in full and signed by the Member.

Number of Works: Members may submit up to the number of works specified on the schedule.

Selection: In certain cases selection of works for the exhibition may be made by a selector, or selectors, invited by the Committee of the Society. Any decision will be final and binding.

Insurance and Responsibility: The Worcester Society of Artists, as a club, is a member of the Society For All Artists (SAA). This gives us insurance cover for third party liability at any of our exhibitions open to the public. It only covers club members, and is the reason why we can only offer exhibition space to those fully paid up for the year. However it does not cover us for loss or damage to any pictures that we display. Some Exhibitions are covered by the venues own insurance but that is not always the case

The position of the society is that, for any given exhibition, we arrange exhibition space that we then offer to our membership, at their own risk and, apart from taking the utmost care, we cannot accept responsibility for damage or loss that occurs during that exhibition.

If you would like further security, individual membership of the SAA is available and, once a member, personal insurance can be arranged to cover damage and theft. Obviously there are also other options available elsewhere.

Size of Pictures: The largest dimension, without prior agreement, is limited to 100cm (40 inches).

Framing: All pictures should be suitably framed and free from projecting nails or fittings etc. Specific instructions for this exhibition will be on a separate sheet.

Labels: All prints should be labelled with full details of the Artist and the work, with reference where necessary to any instructions for this exhibition on a separate sheet.

Removal of Works: No accepted work may be removed before the end of the exhibition. Rejected works should be removed immediately. Accepted works collected on the date specified overleaf.

Special Requests: Any specific requirements for the exhibits must be raised by the artist with the Committee beforehand.

Use of Images: by submitting your work you agree to image reproductions, with proper acknowledgement, to be used in *relevant* advertising, and on websites by the venue or the club.

Commission and Hanging Fees: These are detailed overleaf.

Acceptance of Conditions: A Member's signature on this form shall be deemed to be full acceptance of these exhibition conditions.
